

About Vickie Falcone

Vickie Falcone works with parents who want more peace at home. For ten years she has brought a balance of inspiration, humor and practicality to all of her programs. Participants leave with the motivation and the practical skills needed to improve their lives. She is a magnetic presenter, using her life stories that people relate to immediately. She is a passionate agent for transformation known for helping people change a self-limiting past into a new paradigm of peace and joy.

Vickie is the author of the book *Buddha Never Raised Kids and Jesus Didn't Drive Carpool: Seven Principles for Parenting With Soul* (Jodere Group Publishing). She is also creator and author of the *Conscious Parenting* online cyber-course, the *Twelve Months of Positive Parenting* audio subscription, and the *Parenting With Soul* course. She conducts presentations and workshops around the country to help people improve their relationships and move through self-imposed blocks to true happiness. She speaks to family-friendly corporations who want to reduce the home-related stress that working parents bring to the workplace and to groups who are ready to get more of what they want out of life.

She provides people with what they need to know to create the life they want whether in the realms of relationships, material abundance or well-being. Vickie delivers information and clear steps which lead to core-level transformation.

Vickie unravels the mysteries about what keeps us stuck in self-defeating patterns both with our children and our lives in general. She shines the light of awareness on subconscious patterns and helps people name and step into their grandest vision of themselves. Her practical wisdom can be applied right away.

Vickie speaks from experience. As a mother of two, she embodies the parenting principles she teaches every day. Formerly the youngest real estate broker/owner in Aspen, Colorado, she understands the demands of the business world. Merging her skills as a speaker, mother and entrepreneur, she has created a unique blend of skills for leading audiences to lasting change.
